**Face masks** – Effective as of World's 2007 ATA requires all competitors to wear a protective face mask. This mask will provide more protection to the facial area while still allowing good vision of the opponent. We are encouraging all students to purchase one and will make this a necessary piece of gear as of January 1, 2008.

**Attention all Black Belts** – All Black Belts are required to have an ATA regulation uniform and be a member of the Masters Club. Black Belts differ from color belts in that they no longer wear plain uniforms. For those students who have not upgraded their programs or uniforms please see Lisa to order a new uniform or pick up a specs sheet if you would like to sew the Black belt trim yourself. Please make sure this is taken care of prior to testing. Thank you.
